ADDITIONAL WIRELESS MANAGED ACCESS POINTS  
E-RATE FUNDING YR 2020  
RFQ/RFP: BID# 2019/20: (R14)

FEBRUARY 21, 2020

TO ALL PROSPECTIVE BIDDERS:

Note: *Reponses to Request for Information*

### **Specifications/Clarifications:**

- Please confirm whether professional services should be included? Installation is referenced throughout the RFP.

*Answer: Professional Services do not need to be included.*

- Please confirm if there is any liquidated damages for this project?

*Answer: The bid is effectively for product only and is issued under E-rate rules, so liquidated damages does not apply*

- Is the District requesting a support agreement to be included, per this section?: "It is the District's intention to install the products purchased under this RFQ/RFP with its own forces. Vendors responding to this RFQ/RFP should be prepared to provide on-line and/or on-site sales or technical support, but will not be installing the products procured under this RFQ/RFP."

*Answer: No support agreement needs to be included. This section refers to the ability of the bidding company to be able to provide any sales or technical support if required.*

- Please confirm the requested count of access points is 950 with 3-year licenses.

*Answer: Confirmed.*
