The District shall be the sole judge as to the quality and suitability of the proposed substitution, and the

decision of the District shall be final and conclusive. **Request for substitution received less than 9 (9) calendar days prior to bid opening will not be considered. If the substituted item is acceptable, the District will approve it in an Addenda issued to all bidders of record.** It is understood and agreed to by the Bidder that the District reserves the right to reject any such proposed substitution. If the product offered by the Bidder is not, in the sole opinion of the District, substantially equal or better in every respect to that specified, and is rejected by the District, then the Bidder expressly understands and agrees that Bidder shall furnish the material, process, service, or equipment specified by the District. The District shall notify the Bidder in writing of the decision concerning the proposed substitution. Also, no proposed substitution shall be deemed approved unless the District has so indicated in writing. In the event bidder furnishes an item other than what was specified by the District and which was approved by the District and which later is not found acceptable, then Bidder, at its sole cost and expense, shall furnish the District the specified item.

If in the opinion of the District, an item purchased on the Bid does not conform to specifications or perform to the standards of the previous samples submitted, the District reserves the right to have the product tested by an independent laboratory. If the test shows that the product does not conform to specifications or meet the standards of the samples submitted, the cost of testing will be charged to the successful Bidder, and the contract may be canceled.

20. Deviations from Bid Terms and Conditions. Deviations from any bid term or condition may cause a bid to be rejected as nonresponsive.

21. Warranty/Quality. Bidder warrants that all products shall be free from defects and be suitable for the use stated in the bid documents. The District shall give Bidder written Notice after the discovery of any defective product. Bidder shall correct any such defective product and provide a replacement or reimbursement, at its sole expense, in a manner approved by the District.
